## SPECIMEN WORDING

If it is your wish to make a bequest to The Lord's Taverners in your Will, we suggest you consider asking your solicitor to use words along the following lines:

**"I give to The Lord's Taverners registered charity number 306054 the sum of .....pounds (or such larger sum as my Executors/Trustees shall assess so that its value at my death shall be the same value as at the date of this Will). [It is my wish without creating any binding or legal obligation that this gift be used to \*.....\* "]**

Notes:

- a. The words in ordinary brackets effectively index-link the bequest. The words in square brackets are only necessary where it is your intention for your bequest to be linked to a particular piece of equipment or a specific project. To purchase a minibus we ask for a £20,000 minimum bequest. For a cricket bag we ask for £250, a non-turf pitch £1500, a sports wheelchair £1000 and a sports and recreation project for young people with special needs such as a multi-sensory room or a soft playground area £5000.
- b. Suggested wording to describe the gift in \*.....\* :-
  - "fund the provision of a minibus dedicated in my name for young people with special needs"
  - "fund the purchase of sports equipment in my name for young people with special needs"
  - "fund the purchase of youth cricket equipment in my name"
  - "support in my name a youth cricket project to be agreed between my Executors/Trustees and The Foundation of The Lord's Taverners"

**We thank you for your bequest**
