

THE LADY TAVERNERS CHRISTMAS LUNCH 2009
14-Dec-2009

On Monday 7 December The Lady Taverners held their traditional Christmas Lunch at the Royal Hospital Gardens, Chelsea. It was a glamorous affair with silver and black decorations and even a sparkling roof! There was plenty of Christmas shopping to be done including jewellery, clothing, cheeses and chutneys before the lunch while sipping Champagne.

The lunch was brilliantly hosted by our President, Rachael Heyhoe Flint, who introduced the Chairman, Denise Horne, to receive a wonderful cheque for £250,000 from Lin Luder, the former Lady Mayoress of The City of London. While her husband, Alderman Ian Luder, was Mayor the Charity benefited from their Lord Mayor's Appeal fundraising during their year of office. Thank you to them.

Our speakers on the day were Lynne Franks, who made us really think about new life challenges, and the marvellous Jan Ravens who kept us in stitches with a variety of impressions.

Thanks go to Sally Surridge for her sponsorship and to the 420 ladies present who contributed to the amazing £20,000 that was raised on the day.
