

WIN A £3MILLION HOME AND SUPPORT THE LORD'S TAVERNERS  
03-Nov-2009

One lucky winner could walk away with the keys to this newly built country house, worth over £3million.

Poachers Retreat, located in the heart of Shakespeare Country, sits perfectly in the Warwickshire countryside, close to local beauty spots such as Stratford-upon-Avon, Warwick, major cities such as Birmingham and Worcester and within easy reach of airports and motorways.

Having built the house themselves Malcolm and Maxine Cox are hoping to raise £3.75million by selling 150,000 tickets at £25 each, with the winner being decided through a spot-the-ball-style competition. A £100,000 donation will be divided between four charities, including The Lord's Taverners.

Taverners President Chris Tarrant visited the property himself to meet the Cox family and help launch the competition.
