Safeguarding Policy

2. Legislative background

We recognise and seek to meet all duties expected by our principal regulator, the Charity Commission for England and Wales for safeguarding and protecting people and protecting charities from abuse for extremist purposes.

In developing this policy and any associated procedures and guidance, we have referred to key domestic legislation as expected by the Charity Commission including The Charities Acts 2006 & 2011, the Children Act 1989 & 2004, the Protection of Children Act 1999 and the Safeguarding Vulnerable Groups Act 2006, the Care Act 2014, the Data Protection Act 2018, Public Interest Disclosure Act 1998, the Equality Act 2010 and in light of the principles of the Mental Capacity Act 2005 and the Counter-Terrorism and Security Act 2015.

Links to the above areas of legislation are included as an Annex to this Policy.

The Lord's Taverners operates across the United Kingdom and Northern Ireland. The principles underpinning this policy are developed with regard to UK legislation. They apply across the organisation, irrespective of location. However, specific legal obligations and context for our safeguarding activity will vary according to the nation in which we are operating.

3. Our commitment to safeguarding (including Policy Statement)

The Lord's Taverners strives to provide an enjoyable experience in all that we do and to create inclusive and welcoming environments where every is safe, valued and respected. Protecting people and meeting our safeguarding duties is a governance priority for the Lord's Taverners. We will ensure that safeguarding is embedded within our programmes, operations, working environment, digital activities and culture across the organisation.

Our Core Values are:

Togetherness: We deliver fellowship through our regions and partnerships in the provision of our activities.

Safeguarding Policy

Standards of acceptable behaviour contained in our Members Code of Conduct, apply across everything we undertake. Every individual should establish respectful and courteous relationships with others, providing constructive challenge and support where necessary. No one should use their position of authority to improperly influence other Members, volunteers, employees, partners, and/or others, or to bring the Lord's Taverners into disrepute.

The Lord's Taverners is committed to creating an environment where everyone is treated equally, fairly, with dignity and respect, free of harassment and bullying. There is no place for prejudice, discrimination, harassment or victimisation, whether intended or not, nor is there any place for malicious or vexatious behaviour. It is critical to be aware that it is how any such behaviour is received or perceived and not how it was meant, that matters. The Lord's Taverners seeks to create an inclusive environment that celebrates and values everyone and will challenge unacceptable behaviour.

These overriding principles underpin our approach to Safeguarding as set out in our Policy Statement:

Policy Statement

Safeguarding is everyone's responsibility. All employees, volunteers and those acting on our behalf must play their full part in safeguarding people who come into contact with the charity. They have an obligation and responsibility for safeguarding and to achieve the commitments in this policy. They are responsible for the quality, efficiency and effectiveness of their safeguarding activity.

No one should ever experience abuse through our activities. Prevention, awareness and empowerment are core elements of effective safeguarding arrangements.

Everyone, be they beneficiaries, donors, Partners, Members, volunteers, or staff, has the right to protection from abuse or harm of any kind regardless of their experience, background or status.

We recognise that abuse can be perpetrated by anyone and could take place anywhere. Abuse can be a single or repeated act, or failure to take appropriate action, which causes harm or distress to a person. We take a holistic approach to safeguarding and seek to promote the welfare of all those affected by our work.

The primary consideration when managing safeguarding is always to act in the best interests of those at risk of or experiencing harm. The welfare of the individual is paramount and we will always consider how best they can be supported and the potential effect the application this Policy may have on their life.

- All applicants are required to complete self-disclosure about any previous convictions. Any gaps in employment or inconsistencies are identified and investigated with the individual. Interviews are conducted with a minimum of two people and specific questions are asked about protection of Children and Adults at Risk to ascertain whether the individual has knowledge of potential risks to these groups. Interviewers have appropriate safer recruitment training.
- Offers of employment are made subject to satisfactory pre-employment checks and occupational reference checks are made simultaneous to the offer of employment. Individuals must provide two referees, one of whom must be their last employer. Listen

- Give your full attention to the person disclosing.
- Respect pauses and don't interrupt the person disclosing.
- Limit any questioning to the minimum necessary to seek clarification only. When seeking clarification, use the language of the person disclosing to show that it is their experience.

- Where it is suspected that a crime has been committed, the police should be contacted immediately, and physical, forensic and other evidence must be preserved.

Social Media

Although social media is a very useful tool for the Lord's Taverners it is important that clear defined line is created to ensure professional relationships are maintained. Therefore staff, members and volunteers should not accept or request to "follow" or "friend" any beneficiaries. Staff should also refrain from adding members to non-professional platforms such as Facebook, Twitter and Instagram.

The Lord's Taverners understand that individuals may have met other members and or beneficiaries in a more social background. If this is the case speak with the Safeguarding Team to ensure transparency of friendships.

Activities and events

The notice period required by the Lord's Taverners HQ team to embed effective safeguards varies between Activities/events. As a general guide, at least six weeks' notice is required for Activities/events and longer if the Activity/event is international. Additional lead time may be required from time to time.

Staff, volunteers and members (including regional committees) are expected to:

- Ensure that no Activities/events are delivered without the prior knowledge and agreement of the Lord's Taverners HQ Team.
- Work with the Lord's Taverners HQ Team from the outset when planning any Activity/events allowing sufficient time to embed effective safeguarding arrangements prior to delivery.
