

The Lady Taverners AWARDS

ELLEN TINKHAM SCHOOL, EXETER

We are delighted to report that an award of £4,000 has been granted to the Ellen Tinkham School in Exeter, towards the provision of a wheelchair roundabout which also accommodates able bodied children.

CEDA, who provide a range of learning and social opportunities for young people with disabilities throughout Devon, were presented with a cheque for £500 to buy sports exercise and play equipment, which will enable youngsters to participate in a range of activities.

A cheque for £10,000 was also presented to CEDA for a new Soft Play Room, and we are very happy to report that after a delay due to the bad weather in January, the room was opened by Judith Chalmers, our President Emeritus, on the 19th February, who was also accompanied by Chrissie Colbeck, Sophie Mackie and Victoria Gaunt from Head Office. A

thoroughly enjoyable afternoon was spent with the children and staff, who were particularly appreciative of their new soft play room, entertained us to afternoon tea, and presented us with a "Thankyou" card made by the children.
