

CHALLENGE 7

YOUR FAVOURITE CRICKETING MOMENT

We challenge you to pick your favourite cricketing moment from your own cricketing journey! This can be during a match, a moment at your Super 1s session, a new experience you had during Super 1s or something you did as a team or with friends.

You can tell us about your favourite moment the way you want to. Here are a few ideas:

- Video yourself talking about your favourite moment or someone asking you questions about it (See questions below)
- Record yourself talking about your favourite moment or someone asking you questions about it
- Write about your favourite moment
- Draw your favourite moment

If you would like to do a video, audio or writing of your favourite cricketing moment, here are some questions that you can answer or get a family member to ask you:

- Think about why this is your favourite cricketing moment
- What did it mean to you?
- How did it make you feel?
- Why is this a special moment to you?
- Why does this moment stand out to you?

The deadline for entrants is **Friday 12 June**.
